Nick England				2	10	31											41
Bob Kasper				52		9											61

***Please remember if you do not go to finals in an event, that event will not count towards all-around points as those points will be voided. You must be in 2 or more events in the specific age division to qualify for all-around. All-around awards are awarded to a boy and girl in each age division. Open Team Roping is not included in all-around as it is its own separate award. The best run in ribbon roping applies to all-around.
